AGUA

Family Service Policy

Parents are essential to the success of any swim club. Serving our club allows AGUA to host several swim meets each season to provide opportunities for our swimmers to compete and hone their skills learned in practice.

Each family is required to serve a minimum of 10 hours during the accrual period: October 2021 – July 2022.

In July, any family that has not met the 10-hour minimum will be charged $35 per hour they are deficient.

For example, if a family has 6 hours of volunteer time, they will be billed the remaining 4 hours. Their account will be charged 4 hours x $35, or $140 total.

How to sign up to volunteer:

1. For home meets, log in to www.aguaswim.com
2. Click on “Events” tab
3. Click on “Job Sign Up” next to the meet
4. Then scroll down to select desired job
5. At away meets, coaches will email specific job sign up instructions
